

# Mathematics Minor

Contact: Dr. Lora Spivey  
Email: lora.spivey@wv.edu

All mathematics courses in the minor are offered in person.

All mathematics courses at West Virginia University require a TI-84+ graphic calculator. Other options such as Minib, Maple, and GeoSketchpad are integrated into the course.

\*If MAT 313 is taken instead of MAT 114, it will count for the elective courses.
